WHEREAS, a public hearing of the Miami-Dade County Community Zoning Appeals Board 15 was advertised and held, as required by law, and all interested parties concerned in the matter were given an opportunity to be heard, and at which time, the applicant proffered a covenant which, among other things, provided for:

1. That development of the subject site be limited to a total of 380 residential units and a 12.7 units per acre density cap.
2. That the clubhouse, gazebo and pools obtain a final Certificate of Use and Occupancy prior to the issuance of a Certificate of Completion for the 8th building within the apartment portion of the subject property.
3. That the lake be excavated in its entirety and that no apartment and townhouse building on the subject property may obtain a final Certificate of Completion until such time as -built drawings of the entire lake (not portions of the lake) are approved and the proposed 5' wide walk around the lake is completed.

WHEREAS, this Board has been advised that the subject application has been reviewed for compliance with concurrency requirements for levels of services and, at this stage of the request, the same was found to comply with the requirements, and

WHEREAS, upon due and proper consideration having been given to the matter and to the recommendation of the Developmental Impact Committee, it is the opinion of this Board that the requested district boundary change to RU-4L (Item #1) would be compatible with the neighborhood and area concerned and would not be in conflict with the principle and intent of the plan for the development of Miami-Dade County, Florida, and should be approved, and the requested special exception (Item #2), and unusual use (Item #3) would be compatible with the area and its development and would be in harmony with the general purpose and intent of the regulations and would conform with the requirements and intent of the Zoning Procedure Ordinance, and that the requested special exception

(Item #2) and unusual use (Item #3) would not have an adverse impact upon the public interest and should be approved, and that the proffered covenant should be accepted, and

WHEREAS, a motion to approve Items #1-3 and to accept the proffered covenant was offered by Paul S. Vrooman, seconded by Nancy McCue, and upon a poll of the members present the vote was as follows:

NOW THEREFORE BE IT RESOLVED by the Miami-Dade County Community Zoning Appeals Board 15, that the requested district boundary change to RU-4L (Item #1) be and the same is hereby approved and said property is hereby zoned accordingly.

BE IT FURTHER RESOLVED that the requested special exception (Item #2), and unusual use (Item #3) be and the same are hereby approved, subject to the following conditions:

1. That in the approval of the plan, the same be substantially in accordance with that submitted for the hearing entitled "Tuscany Place," as prepared by Mouriz Salazar, dated 5/28/00, 11/28/01 and 11/29/01 and consisting of 26 pages and landscape plans as prepared by Alex Knight, consisting of 7 pages; and proposed lake cross section entitled "Lake Plan & X-Sec. Tuscany Place," as prepared by Ludovici & Orange and dated Jan. 15, 2002.
2. That a site plan be submitted to and meet with the approval of the Director upon the submittal of an application for a building permit; said plan to include among other things but not be limited thereto, location of structure or structures, types, sizes and location of signs, light standards, off-street parking areas, exits and entrances, drainage, walls, fences, landscaping, etc.
3. That the use be established and maintained in accordance with the approved plan.
4. That the applicant submit to the Department for its review and approval a landscaping plan which indicates the type and size of plant material prior to the issuance of a building permit and to be installed prior to the issuance of a Certificate of Use and Occupancy.

5. That a recordable agreement be submitted to and meet with the approval of the Director providing for permanent and safe access for pedestrian and vehicular traffic within the development and particularly for right of access for fire, police, health, and sanitation and other public service personnel and vehicles. The agreement, which shall be a covenant running with the land, shall also include a stipulation that the streets, or access ways, shall be installed and maintained by the applicant, including, but not limited to, sidewalks, drainage facilities, water, sewers and fire hydrants, meeting with the approval of the Director and the Director of the Public Works Department. Such agreement shall be executed by the property owner and any and all parties having an interest in the land, such as mortgagees, etc., and its improvements.
6. That in the event of multiple ownership, a homeowners' association (or special taxing district) be established in accordance with applicable regulations to assure that all common areas and facilities for use of all residents shall be maintained in a continuous and satisfactory manner, and without expense to the general taxpayer of Miami-Dade County. The instrument incorporating such provisions shall be approved by the County Attorney as to form and legal sufficiency and shall be recorded in the public records of Miami-Dade County at the time of the recording of the subdivision plat.
7. That the applicant comply with all applicable conditions and requirements of the Department of Environmental Resources Management (DERM).
8. That the applicant comply with all applicable conditions and requirements of the Public Works Department.
9. That the lake tract be platted; no building permit shall be issued for lots contiguous to the lake tract until the lake excavation is completed and lake as-built drawings submitted to and approved by the Department.
10. That complete lake excavation plans prepared and sealed by a Florida-licensed surveyor and/or professional engineer be submitted to and meet with the approval of the Director upon the submittal of an application for a lake excavation permit; said plans shall be substantially in accordance with that submitted for the hearing entitled "Lake Plan & X-Sec. Tuscany Place," as prepared by Ludovici & Orange and dated Jan. 15, 2002.
11. That the grading, leveling, sloping of the banks and perimeter restoration shall be on a progressive basis as the project develops and the excavation progresses. In accordance with this requirement, the applicant will submit "as built" surveys prepared and sealed by a Florida-licensed surveyor and/or professional engineer at one-fourth, one-half, three-fourths and final completion of the excavation or at six month intervals, whichever is of a lesser duration, or upon request of the Director or the Director of Environmental Resources Management.
12. That the property shall be staked to meet with the approval of the Director and the Director of Environmental Resources Management; said stakes shall be maintained

in proper position so that the limits of the excavation, slopes and grade levels may be easily determined.

13. That the property shall be suitably posted to meet with the approval of the Director and the Director of Environmental Resources Management; said posting shall denote the lake excavation operation and warn the public concerning possible hazards, prior to commencement of the excavation.
14. That upon completion of the project, the property shall be restored and left in an acceptable condition meeting with the approval of the Director and the Director of Environmental Resources Management.
15. No material shall be removed from the premises and all excavated material shall be used to improve the property described in the application.
16. That the use of explosives shall be strictly prohibited in connection with the lake excavation operation.
17. That the hours of the lake excavation operation shall be controlled by the Director, except that the applicant shall be permitted to operate between the hours of 7:00 A.M. and 5:00 P.M. on weekdays, Sunday operation and/or other hours of operation than 7:00 A.M. to 5:00 P.M., may be permitted by the Director only if the same does not become a nuisance to the surrounding area.
18. That the time for the completion of the project including the lake excavation, grading, etc., shall be determined by the Director and the work shall be carried on continuously and expeditiously so that the same will be completed within the allocated time.
19. If the lake excavation operation is discontinued, abandoned, falls behind schedule or time expires, the existing excavation shall immediately be sloped to conform with the approved plans and the entire operation shall be removed from the premises.
20. That in order to insure compliance with all terms and conditions imposed, a cash bond or substantially equivalent instrument meeting with the approval of the Director shall be posted with the Department, payable to Miami-Dade County, in an amount as may be determined and established by the Director; said instrument shall be in such form that the same may be recorded in the public records of Miami-Dade County and said instrument shall be executed by the property owner and any and all parties who may have an interest in the land, such as mortgagees, etc. The bond amount shall be based on the volume of cut required to create the approved slope configuration.
21. Upon the issuance of a lake excavation permit, that the title of the property in question shall not be transferred without the approval of the Director unless the excavation of the subject property has been completed and/or unless the bond has been released.

22. That the applicant obtain an excavation use permit from and promptly renew the same annually with the Department, upon compliance with all terms and conditions, the same subject to cancellation upon violation of any of the conditions.
23. All excavations shall be completely enclosed by a safety barrier, minimum height of 6 feet, consisting of either orange plastic safety fence or wood slat storm fencing installed on 4" x 4" posts spaced every 10 feet. Said barrier shall be installed prior to issuance of the excavation permit and commencement of excavating and shall remain in place until work is complete and the performance bond is released.
24. All excavations shall be posted every 50 feet with warning signs a minimum of 18" x 18" in size.

BE IT FURTHER RESOLVED that, pursuant to Section 33-6 of the Code of Miami-Dade County, Florida, the County hereby accepts the proffered covenant and does exercise its option to enforce the proffered restrictions wherein the same are more restrictive than applicable zoning regulations.

BE IT FURTHER RESOLVED, notice is hereby given to the applicant that the request herein constitutes an initial development order and does not constitute a final development order and that one, or more, concurrency determinations will subsequently be required before development will be permitted.

The Director is hereby authorized to make the necessary changes and notations upon the maps and records of the Miami-Dade County Department of Planning and Zoning and to issue all permits in accordance with the terms and conditions of this resolution.

That the lake be excavated in its entirety and that no apartment or townhouse building on the subject property may obtain a final Certificate of Completion until such time as as-built drawings of the entire lake (not portions of the lake) are approved and the proposed 5' wide sidewalk around the lake is completed.
8. Modification/Release. This Declaration may be modified or released as to the land described herein or any portion thereof by a written instrument executed by the then owner(s) of the Property provided that the same is also approved by the Board of County Commissioners or the Zoning Appeals Board of Metropolitan Miami-Dade County, Florida, whichever by law has jurisdiction over such matters, after public hearing. Should this Declaration be so modified or released, the Director of the Miami-Dade County Department of Planning, Development and Regulation, or the executive officer of the successor of such Department, or in the absence of such director or executive officer by his assistant in charge of the office in his absence, shall forthwith execute a written instrument effectuating and acknowledging such modification or release.
9. Enforcement. Enforcement shall be by action against any parties or person violating, or attempting to violate, any covenants. The prevailing party in any action or suit pertaining to or arising out of this Declaration shall be entitled to recover, in addition to costs and disbursements allowed by law, such sum as the Court may adjudge to be reasonable for the services of his attorney. This enforcement provision shall be in addition to any other remedies available at law, in equity or both.
10. Authorization for Miami-Dade County to Withhold Permits and Inspections. In the event the terms of this Declaration are not being substantially complied with, in addition to any other remedies available, the County is hereby authorized to withhold any further permits, and refuse to make any inspections or grant any approvals, until such time as this Declaration is complied with.
